

D

Réf. UAL

In case the shower enclosure is attached from the floor to the ceiling, a sketch and the installation kit acquirement are required in order to prevent possible outages.

Push & Clean function for an easy care and cleaning.

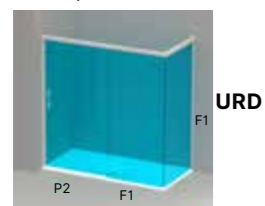

Soft-close function (damped closure) included. This allows to open and close the door softly.

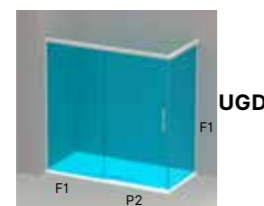

OPTIONAL: TOWELBAR / SHELF-CRYSTAL see pages 275

Example combination in-line panel.

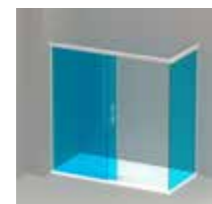

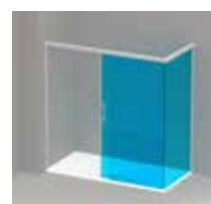

URA

UVA
